

## *The DoIT Digest*

*Volume 1 Number 31*

*December 16, 2016*

### **This Week:**

- **DoIT Shares Insights**
- **Digital Transformation Blog**
- **Illinois Historic Preservation (IHPA) New Mobile Website**

### **DoIT Shares Insights**

DoIT was invited to share experience and insight on current technology challenges at a recent webinar titled, “Cyber Criminals, Government and Education”, sponsored by the Public Sector Technology Exchange (PSTE). Leaders from around the country joined [PSTE’s webinar event](#).

### **Digital Transformation Blog**

A 12-day blog series is currently underway that examines leadership principles during digital transformation. DoIT leaders are sharing their experiences and best practices used to undergo a successful 21<sup>st</sup> century transformation. [Click here for a link to the blog post.](#)

### **IHPA New Mobile Website Unveiled**

The Illinois Historic Preservation Agency (IHPA) recently released their new mobile responsive website. This project, developed by the DoIT web services team, highlights Illinois historic sites and shares information in an accessible and easy to navigate app. [Click here for a link to the new IHPA mobile responsive website.](#)

## **DoIT FYIs & Reminders**

### **DoIT Town Hall Meeting**

The next DoIT Town Hall meeting will be held on January 10, 2017 via WebEx. The Town Halls will be held quarterly and more details on the upcoming event will be sent next week.

### **DoIT in the News**

Word of the Illinois Blockchain Initiative is spreading and included recent [news coverage](#).
