Chicago & Springfield AT&T Telephone Directories

Check the accuracy of your agency's listings.

Due to turnover in AT&T staff, CMS did not receive the Government page listings prior to the publication cut-off date for the **2013 AT&T Springfield Directory** (publication will be December 2012). The current Springfield Government pages are attached to this Bulletin for your review. If your agency had an update intended for publication in the 2013 Springfield Directory and the missed deadline poses a problem, please submit a Telecommunications Service Request (TSR) to ask for an AT&T 411 DA referral/intercept message at no additional charge. Despite missing a cut-off for any printed directory, agencies can, at any time throughout the year, request changes to the Government pages and/or Business listings to update AT&T's 411 Directory Assistance information database.

AT&T is currently revising and compiling Government and Business listings for the **2013 Chicago AT&T Telephone Directory** (publication will be April 2013). Attached is a copy of the current AT&T Chicago "Government Pages". Please review the government listings to determine whether changes are needed. If your agency's departmental names, addresses, and telephone numbers are correct, no response to this bulletin is needed. After the cut-off date for directory changes, agencies can still request changes in the AT&T 411 Directory Assistance information.

If your agency needs to make any changes, additions, or deletions to its listings in either the AT&T 2013 Chicago Telephone Directory or any AT&T 411/Directory Assistance database, please submit a TSR to request adjustments. The TSR form is available on our website under the "Forms" heading (visit www.bccs.illinois.gov — click on Telecom Services). For changes to be included in the 2013 AT&T Chicago Directory, the Customer Service Center must receive your completed TSR by Tuesday, December 4, 2012.

Submit to:
CMS Customer Service Center
Attn: Provisioning
120 West Jefferson, 2nd Floor
Springfield, IL 62702-5103

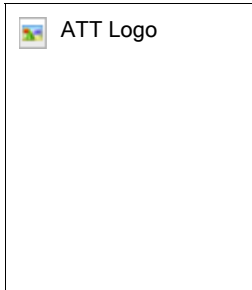

TSR Justification field should be marked:
"AT&T Directory Change-Time Sensitive"

Also attached is the publication schedule for directories in all other AT&T Illinois territories. The due dates provided indicate the cut-off dates for receipt of your agency's TSR to add/delete/edit listings in any of these cities. Please forward TSRs for these directory changes as noted above.

Agencies should be aware that each AT&T Directory Government Page and/or Business Listing has a recurring monthly charge of \$5.50. Should you have any questions regarding AT&T Directories or the AT&T 411 database, please contact Twana Brooks at (217) 782-8885 or by email at twana.brooks@illinois.gov
