38 IAC 315; 41 Ill. Reg. 13284

- I haven't seen in the rulemaking where the management's second question in its 5/21/18 memorandum to you was addressed-where the information about the 2 training sessions shall be posted?

<u>Agency Response:</u> The information regarding training sessions will be provided by DoIT staff to the Designated Contact via electronic mail.

- The management thought you could or should conclude Sec. 4000.200(c)(2) with a period after "component".

Agency Response: JCAR suggestion has been accepted.

- Sec. 4000.200(d). The management understands your intention expressed here, but in order to be valid, you should affirmatively state the requirement and details concerning the 2 training periods.

<u>Agency Response:</u> The information regarding training periods will be sent, via electronic mail, to the Designated Contact by January  $15^{th}$  of each calendar year. At this point in time, DoIT staff will provide a tentative schedule for the agencies, boards, and commissions to complete the Cybersecurity Training. DoIT staff will also provide notice to Designated Contact 60 calendar days prior to the start of the training period, as require dby Section 4000.200(e).
